# Fabulous Fešta!

Sports stars, international performers, interstate DJs, and cooking demonstrations will be some of the headline acts at Adelaide's premier Croatian community festival **'Fešta' – The Croatian Food & Wine Festival** Saturday, November 22nd 2008.

The 5th annual **Fešta** will showcase delicious and authentic Croatian cuisine from various regions, cooked to traditional home style recipes and techniques. There will be a wonderful selection of foods to choose from, ranging from various seafoods (prawns, tuna, calamari and octopus) to whole spit roasted pork, lamb and even beef!

Traditional favourites such as *ćevapčići*, *sarma* (stuffed lightly pickled cabbage leaf rolls) and Croatian style *pita* will also be available. For those with a sweet tooth – the cakes will be irresistible.

Along with the wonderful food on offer, some quality wines have been imported direct from Croatia's premium wine growing regions as well as Croatia's favourite beer - *Karlovačko*.

Music and singing have always been a strong part of Croatian culture, so there will be an endless amount of entertainment throughout the day. Celebrating this year's Fešta are some very special guests...

- From Melbourne, folkloric dance ensemble *Hrvatska Zora (Croatian Dawn)*.
- cooking demonstrations and an on location recording of the popular Adelaide based TV show *Out of the Blue* with 'the two Michaels' - *Michael Angelakis and Michael Keelan*.

- *Croatian National Radio TV* filming the day for a special screening on *CMC (Croatian Music Channel)* which will be broadcast via satellite around the world!
- An after party featuring 3 *Melbourne DJs* - *DJ Delco, DJ Matt and DJ Wogboy*, will continue the party late into the night.

The relaxed, picnic style atmosphere of *Fešta* is perfect for young families and children with the attractions such as:
